

About Us

Comfort of Care Home Care, LLC provides seniors and other non-medical assistance at home, facilities, and hospitals, with the option that most people prefer to remain independent, safe, and comfortable in their own home. For many of our consumers, home is everything to them. It is their window to the past and a safe haven for their present.

Customer Testimonials

Jane Smith

"I didn't know what to do about my health issues. I found that this team was just who I was looking for. They are friendly, professional, and they really care."
